Sir,

In pursuance to the telephonic discussion held with you regarding the subject wherein you have raised certain queries regarding revised bid documents under PMFBY & RWBCIS for implementation in J&K for Rabi-2021-22 to Kharif 2024.

In this regard I am directed to append the copy of the required clarifications with this communication.

Yours Faithfully,

  
(Suhail Inamullah) 21/10

Technical Officer, Directorate of  
Agriculture, Kashmir.

<b>AIC of India</b>		
<b>S.No</b>	<b>Tender Queries</b>	<b>Reply</b>
1	The termsheet inputs in attached file namely "Apple-TermK" ppt is not matching with other pdf termsheets.	The pricing is to be calculated on the basis of PPT annexed with the Bid Document
2	In Apple Termsheets – "Cover 2 Rainfall requirement", the pay out is Rs. 300/- & Rs. 600/- per tree in single page file namely "Revised-TermSheetApple2", whereas it is Rs. 3.00/- & Rs. 6.00/- per tree in "Apple-SaffronTermSheetK" (page 3).	The Revised Annexure is to be considered
3	What will be the estimated cost for procurement of weather data (Jammu Division), whether the cost of data to be borne by the implementing agency or by the J&K Govt.	<b>All weather data is to be acquired from the IMD, JK</b>
